

# Transitions

(Useful information for CoG)

Tania Baxter  
Head of Clinical Governance

## Transitions – Many Facets

- Health transitions – eg CAMHS to AMHS
- Education transitions – eg school - college
- Social care transitions – eg Looked after children, third sector services
- Transitions are complex
- Huge within SCH
- Within SHSC – Transitions touch:
  - CMHTs, Autism Service, Eating Disorders, Early Intervention, Learning Disabilities

## Transition Workstreams

- Protocol between CAMHS and AMHS
- 16-18 year olds in crisis
- Transitions in SCH criticised by CQC
- Transitions between SCH and SHSC criticised by HM Coroner
- Transition CQUIN
- Transition Networking Event

## Transition CQUIN What you need to know...and do

Nicky Windle – CAMHS Transitions Lead  
Tania Baxter – SHSC Head of Clinical Governance

Dr Claire Pearson - SRO – Transition CQUIN

## Transition Workstreams

- Protocol between CAMHS and AMHS
- 16-18 year olds in crisis
- Transitions in SCH criticised by CQC
- Transitions between SCH and SHSC criticised by HM Coroner
- Transition CQUIN

## CQUIN

Quick quiz

What is a CQUIN?

CQUIN – What does this stand for?

2 year CQUINs

SCH – xx CQUINs

SHSC – 5 CQUINs

## What is the Transition CQUIN?

- Set of new standards for transition – aim to improve practice.
- Shared CQUIN with CAMHS and AMHS
- Financial penalties for both services if non-compliant

## Three Components

- Case note audit to assess the extent of Joint-Agency Transition Planning **CAMHS**
- A survey of young people's transition experience and readiness (pre- transition questionnaire) **CAMHS**
- A survey of young people's transition – post discharge (post – transition questionnaire) **AMHS**

## DEFINITION AND SCOPE

- This CQUIN only relates to young people transitioning **as a consequence of reaching a certain age.**
- Scope: AMHS and CAMHS and (YIACS.)
- Discharge to GP is included but GP's not part of the CQUIN !

## Joint Transition Planning - Meeting

- A meeting to prepare for transition is held with the young person – at least **6 months** prior to discharge. ( or **1 month** if we get them into service late)
- Meeting to include: (can be via video conference)
- Young person
- Appropriate key worker from sending service
- Appropriate key worker from receiving service
- Parents/ Carers (if appropriate)

## Transition Plan-

- A transition plan must be completed with:
- Transition goals (agreed with YP)
- Transition goals must be reviewed by receiving service after transition.
- Transition goals should still be set if going to GP care and shared with GP.

## AUDIT – Every 6 months

- Was the YP prepared and ready for transition?  
– including were goals set **CAMHS**
- How many YP transitioned ? **CAMHS**
- Receiving services – did YP meet their transition goals? **AMHS**

## **What has happened so far?**

- Meeting with commissioners to agree scope in Sheffield.
- Transition questionnaires to be reviewed by Chilyep and re-designed.
- CP to meet with all teams in Tier 3.
- NW appointed and she will be working on the CQUIN.
- Joint event – Oct AMHS and CAMHS working together !

## **Cont..**

- YP transitioning data shared with AMHS
- Joint tracking in place
- Monthly meetings with YIACS, Chilyep, AMS and CAMHS
- Report sent to commissioners with progress (can be shared with teams)
- April 2018 – Q4 data – Oct, Nov and Dec 2017 audit

**Any Questions?**
